

Thank you for purchasing the **Global Elbow** from Futureglass!

The design of Global allows easy assembly by a competent adult in the shortest of times.

Please take a few moments to read these instructions to get the most from the table.

ASSEMBLY INSTRUCTIONS

1. Unpack all of the components.
2. Screw the bolt, and spring washer through the base into the tube. Tighten to compress the spring washer using a spanner.
3. Now align the threaded stud of the boss, which is pre bonded to the tabletop, with the center of the tube which is now secured to the base. Turn the tabletop whilst keeping it parallel to the base in a clockwise direction. Continue to do this until it becomes tight to turn the top, and it then aligns with the base.

The glass supplied is toughened to BS6206A for safety. In order to maximize this safety; please follow the following precautions.

- | | |
|--|---|
| 1. Never drag the table | 8. Never place hot pans onto the table. |
| 2. Always lift with assistance. | 9. Avoid subjecting the table to impact. |
| 3. Replace any damaged glass with that of identical specification. | 10. Never sit or stand on the table. |
| 4. Never place heavy objects onto the table. | 11. The table is not suitable for rough use |
| 5. Use a suitable non-abrasive glass cleaner. | 12. In the unlikely event of breakage, a competent person must clear thoroughly the area of sharp shards of glass, which may cut. |
| 6. Take care when moving the table. | |
| 7. Take care in positioning the table. | |
