The tables look great in any room setting, with legs in matt nickel, bright chrome or minimalist white creating a clean, light appearance that complements any contemporary style. The legs have adjustable feet for levelling the table on an uneven floor.

With a choice of 19 different sizes, you'll find a Slender Pin Knee table for any size of room. The tabletop is made from 10mm toughened glass, conforming to BS 6206A. The legs simply attach to pre-bonded bosses on the glass for stability and quick, easy assembly.

Slender Pin Knee is the ideal table for contemporary living.
